TST AIR CHARTERS

Since its launch in 1997, TST Air has consistently been the industry leader in air charters.

Servicing Canada, the United States and Mexico, TST Air soars above the limits of traditional ground expedite and has become one of the most trusted names in ad hoc on-demand air charters. Whether you need to transport 5 lbs or 265,000 lbs, TST Air has the experience and capability to get the job done and our team of professional coordinators will get your sensitive cargo door to door, safely, hassle-free and on time.

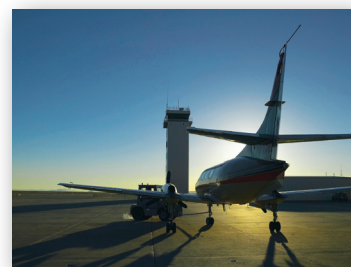

PRIORITY CUSTOMER SERVICE

Our superior 24/7 customer service has set a standard that our competition can only image to achieve. Our live representatives are able to handle any crisis with the urgency and efficiency that you should expect from a top airfreight company. Your call matters to us - beginning from the initial call right through to a follow up call upon completion. We will ensure, whether big or small, that your company is treated as our top priority.

TRACKING YOUR CARGO

At TST Air we believe that communication is one of the most important aspects of a successful business relationship. We employ the most advanced systems in the industry to provided superior tracking for your valuable cargo. While other competition plays the guessing game, our custom designed Smartracs System allows us to have a complete real time tracking of your freight from start to finish.

Call us today and we will show you why TST Air is miles above the competition!

CARGO X
