The purpose of this letter is to inform you that you have been conditionally approved to participate in the FAST program. Be advised that the review and approval of your Supply Chain Security Profile is required to finalize your C-TPAT enroliment and to continue available benefits. If your profile has already been submitted, it is currently in the review process and a response will be forwarded to you within 60 days.

If you have any questions or need assistance, please contact the U.S. Customs C-TPAT division at (202) 927-0520.
